Plaintiff: Terrance Prude,

Defendant: Candice Dixon.

Case No. 23-CV-1233

Motion For A Status Telephonic
Conference Hearing

On 9-19-2023 I filed a civil complaint. See Dkt. #1. On 11-8-2023 this Court allowed me to proceed against, only, Candice Dixon. See Dkt. #7. On 1-4-2024 the defendant through counsel filed their answer to the civil complaint. See Dkt. #14. To my knowledge, no scheduling order has been set which would allow me to prosecute my case to a conclusion.

Thus, I motion the court to conduct a telephonic status conference hearing in order to set deadlines for discovery and summary judgment. Thank you.
